Subject: Review of South Fork

Hi Lynne and Cynthia,

We sent forward the South Fork permit and RTC to HQ earlier today. We're looking to have their review complete by COB Thursday. They are looking at responses to specific issues, i.e., comment on cable laying vessels and offsets. I expect you'll want to review the document more holisitically.

Would you like to review these documents concurrently with HQ? Again we're shooting for signature on Tuesday, Jan 18. With Monday, Jan 17 being a holiday, we'll likely need to get all the materials to Deb by next Friday.

Let me know. Thanks,

Pat
